

Circuit, Case No. 09-3379, Beverly Stayart v. Yahoo!, Inc., et al. See, Stayart v. Yahoo!, Inc., 651 F. Supp. 2d 873 (E.D. Wis. 2009).

7. Oral argument is scheduled for March 31, 2010.

8. The issues in the present case are related to the issues in that case, according to Yahoo's counsel in this case. See, Document 8, filed March 19, 2010 in this cause.

9. Because of his involvement in the oral argument before the Seventh Circuit in Case No. 09-3379, Plaintiff's counsel will not be able to even begin his response to Yahoo's motion to dismiss prior to April 1, 2010.

10. Plaintiff's counsel will therefore be unable to complete his written response to Defendant's motion to dismiss by April 12, 2010, given his involvement in the related case before the Seventh Circuit. Defendant's present motion raises complex legal issues involving the Internet.

11. Plaintiff's counsel requests an extension of time until May 3, 2010 to file his written response to the motion to dismiss.

12. Plaintiff's counsel has not previously requested an extension of time for filing of his response to Defendant's motion to dismiss.

13. No prejudice will be suffered by Defendant if this request for an extension is granted. The extension will not materially delay the setting of this matter for oral argument (in the event the court is inclined to grant same), nor will it materially delay the ultimate disposition of this case.

14. The present motion is not filed for purposes of delay or to harass the Defendant.

WHEREFORE, Plaintiff's counsel requests an extension of time until May 3, 2010 to file his response to Defendant's motion to dismiss.

BEVERLY STAYART
